Christmas
Greetings.
May flowers of gladness round you spring,
As through the years you go ;
A calm sweet future, while your days
Pass on with even flow.

Just a little Christmas greeting from us both, thanks so much for your letter. Poor Mamie quite bad down, rheumatism, slight bronchitis - not asthma, but the insomnia every day. Nan came down Friday for 8 days she was upstairs. Next month I hope we may go back to our old home, I was there last week on business. Love from us both. M & Schweizer.
